3.                      a wide, new asphalt road off the Pionki (R 52/ L 30) station. The road was on the south side of, and about 80 meters from, the railroad line and led to a gate decorated with red flags and pictures of Soviet leaders.                      the gate belonged to a Soviet supply installation.                      a factory building with two tall smokestacks near the entrance. The entire area was enclosed by a board fence.<sup>3</sup>

1.                      Comment.                      this unit in Celestynow prior to 26 September 1953.                      The unit possibly is a military labor unit stationed at Warsaw. Number 2735 H was mentioned in Warsaw
